Re: Withdrawal from Representation

Dear Mr. Campbell:

Our Firm is withdrawing from any further representation of American Refrigerated Express LLC and you (collectively "American Refrigerated Express"), in relation to all patent matters for which we have previously acted. This withdrawal is premised on, among other things, the client's failure to provide timely instructions on all pending patent matters.

This withdrawal will take effect immediately, subject only to our obligations in connection with rules applicable to the U.S. Patent and Trademark Office ("PTO"). In particular, we are preparing to file in the PTO a petition seeking permission to withdraw from representation on all American Refrigerated Express matters that are currently in the PTO and for which we are counsel of record.

1. File Transfer

We are prepared to provide an orderly transition of all of American Refrigerated Express' files to which American Refrigerated Express is entitled as soon as that can be arranged. In this regard, we will forward such files directly to you.

2. Upcoming Due Dates

As a courtesy, we are enclosing herewith docket print-outs of all domestic and foreign patent and trademark matters we have handled. Please note that the left column of the listing sets forth due dates for various actions. Failure to meet any of these dates could adversely affect American Refrigerated Express' rights, such as causing patents or patent applications to become abandoned.

A. Patents

In particular, for the remainder of 2007, you will see that a response to a Notice of Non-Compliant Non-Final Amendment is due, with extension fees, no later than October 4, 2007.

Please be advised that pursuant to your letter to us of May 1, 2007 stating that you no longer wish to pursue U.S. patent application no. 10/775,258, you do not have to respond and your application will automatically become abandoned.

Kindly acknowledge your receipt of this letter and all files by signing in the space provided below and returning such copy to me. Duplicate originals are enclosed.

Should you have any questions on the above, please contact me.

Sincerely yours,

Joseph A. Mahoney
